

New Perspectives

on Language Teaching and Learning

Cross-Sector Annual Conference 2019:

Widening Participation

15 June 2019
9.00am – 4.30pm

University of Dundee
Dalhousie Building

The conference's keynote conversation, featured panel discussions and papers seek to explore widening participation in its widest sense in relation to the teaching and learning of languages in all sectors, including schools and Higher Education: from encouraging language uptake amongst learners from all backgrounds, to reflecting on different approaches to and techniques of ab initio and advanced language teaching.
